

Your commitment counts - you have the chance to become an important part of the DOK.fest München team!

The preparations for the 40th (anniversary) edition of DOK.fest München are in full swing and we would be delighted to welcome you as part of the festival team!

DOK.fest München is one of the largest documentary film festivals in Europe with a focus on long, creative and international documentary films. Every year, we show around 110 films from over 40 countries and host filmmakers from all over the world. Hard to believe - in 2025 we are already celebrating our 40th anniversary festival edition.

As a motivated (documentary film) festival fan, you now have the opportunity to take a look behind the scenes of DOK.fest München and get actively involved in a dedicated festival team!

We show our film programme at a wide variety of venues in Munich's city centre and since 2020 we have also been coming digitally into the living rooms of the Republic as DOK.fest München @home. In addition to the regular visitor festival, DOK.forum, the festival's industry platform, DOK.education, our education programme and DOK.network Africa will also take place. For the first time this year, DOK.fest will also take place in Augsburg parallel to the programme in Munich - from 8 to 12 May. In order to realise all this and guarantee our guests a good time, we need your support!

Become part of the festival team and support us as a volunteer for the [40th DOK.fest Munich](#) from 7 to 18 May 2025!

As a volunteer (m/f/d) you can help shape the festival and be involved in the following areas:

- Cinema support
- Accreditation
- ticketing
- Support for our '@home area' - possible from home anywhere in Germany
- Industry platform DOK.forum/guest services
- Special events, service and bar (including openings and award ceremonies)
- Supervision of the VR Pop-Up Cinema (start 05 May)
- DOK.education/support for school groups etc.

We need active support on site, especially from 7 to 18 May. The Support@home area requires support until 25 May, which is also possible from the comfort of your own home. Further information on the individual areas can be found [here](#).

We offer:

- the atmosphere of an international festival,
- exclusive insights into the organisation of a major cultural event,
- a pleasant working environment in a committed and open team,
- a dual festival pass and thus the opportunity to see all the films,
- a dual film festival that takes place both in the cinema and on home screens.

We expect a friendly demeanour, reliability and a good command of English.

Would you like to be part of it? Then get in touch directly using our [form](#) or email the festival team at dokteam@dokfest-muenchen.de. Please let us know [the areas](#) you would like to work in and your possible working hours. We will then get back to you.

Feel free to write to us with any questions, suggestions or comments - we look forward to hearing from you!
